

Corporate History

BONUSTAX was found in 1997.

From the very beginning the main goal of the owners was to create a professional expert team which is able to be reliable business partner in the daily work and the development of the enterprises.

A substantive office has been established as the demand increases.

Even at the start of working our team get in connection with enterprises exist in very different markets, so we must made very big efforts to provide perfect servises to everyone. In retrospect these years were the season of getting experience, learning and building a base of knowledge which is a stable base of the office's permanent growing for now.

The professional background of **BONUSTAX** is warranted by the two founder. They directly participate in managing. It is very important for the management to work with employees who has sufficient knowledge, and steady expertise, so that the office takes part in continuing professional education regularly, and has own trainings as well.

Our company works for more than a half hundred clients from almost every kind of the corporate forms from private entrepreneur to joint-stock company.
